CALL FOR SCRIPTS

SHORT-TERM CONSULTANCY FOR PRODUCTION OF SOCIAL ACCOUNTABILITY RADIO ADVERTS

1. BACKGROUND

In 2017, the government launched the 7th National Development Plan with the theme: “Accelerating Development Efforts Towards Vision 2030 without leaving Anyone Behind”. A number of CSO recommendations were adopted in the 7NDP. Historically, achieving this milestone has been a less difficult task for both CSOs and government. The biggest challenge in Zambia has been successful execution and monitoring of NDP Programmes and Activities. Thus in 2018 CSPR working with a consortium of 17 CSOs commenced Monitoring of the 7NDP, going as far as producing the CSOs Barometer which reported on progress made by the government in implementing the 7NDP based on the 2017 Annual Progress Report and the CAG Quarterly Reports by the Government Ministries.

With support from IM Swedish Development Partners, CSPR is promoting citizen-led monitoring of social accountability in the implementation of the 7NDP.

CSPR therefore invites playwrights, poets and performing artists in the creatives to submit proposed scripts on a Social Accountability short audio advert and video image.
